

LANDSCAPING COMMITTEE 2007 ANNUAL REPORT

Committee Members:

Kay Wentzel
Bitty Barr
Brenda Weimer

In 2007 we received 56 work order requests and 1 improvement request. The majority of work orders were requests to remove dead shrubbery or to trim shrubbery. Last year 55 homeowners received new shrubbery. Currently we have about 35 orders to remove dead shrubbery and trees. These will be removed this spring.

2008 Planning:

1. Update landscaping in Wynds
2. Establish long range plan for replacing large trees lost to drought
3. Rework flower beds at entrances to include more perennials
4. Change replacement of shrubbery from spring to fall.
